Bailey Thomas @ Kult Australia

My name is ... Bailey Thomas. I am ... 19 years old. My star sign is ... Libra. It suits me because ... I'm terrified of decisions. Tell us about how you were discovered and when you started modelling ... I was just skating through Kings Cross with some friends, and I was approached by a local photographer who sent the images he took of me onto some agencies where I was lucky enough to be signed by Kult. Someone I look up to is ... Probably my mum. She's been through the most and still finds love and time for the people in her life. When I am not modelling you can find me ... With my friends or going for a walk with some music. My ultimate dream is to ... Own a house on the beach somewhere pretty reclusive where I can get a dog and just do my thing. Maybe get into writing a bit more. I feel most glamorous when ... When my girl calls me pretty. My ultimate moment of indulgence is ... When I ritualistically eat a whole box of Coco Pops with mini marshmallows on top - highly recommend. A tradition I hold onto is ... Brushing my teeth in the shower - tried it one time never stopped. Introvert or extrovert? Introvert. I end every day by ... Watching random stuff on the internet.
