I loved it when Jevan and I got asked by Tandy to shoot a story that revolved around our passion of dirt bikes.

I've ridden bikes semi-professionally for about 5 years, but I have been competing since I was about 8. It was really fun to mix my passion with work and I think the story speaks for itself of how well it went and how much fun we had.

Jevan and I met in Select when our booker Dounia introduced us. 5 years on and we are the best of mates and now ride in a team together competing in Enduro and motocross competitions up and down the country.
