Gestos sencillos como lavar (con mucha cantidad de champú) y peinar (cepillar el pelo mojado para deshacer los nudos) pueden estropear la melena si no se hacen correctamente, según afirman desde Olaplex. El acondicionador en crema Creme with Silk Groom, de Kiehl's ayuda a desenredar el cabello, dejándolo suave y manejable. *En la otra página*, peine estilizador de Moroccanoil y extensiones naturales triples de EXTENSIONmanía.

El cabello suele salir del invierno muy necesitado de brillo y vitalidad, lo que impone unos cuidados extras que le devuelvan la luminosidad y la suavidad perdidas. L'Huile Précieuse Cheveux Hair Rituel, de Sisley aporta nutrición y brillo, al tiempo que reestructura la fibra y crea una película de luz a su alrededor. *En la otra página*, cepillo Pop Brush Soft y extensiones naturales triples, ambos de EXTENSIONmanía.
