### Primrose Archer

It turns out that 18-year-old Primrose Archer is less of a new face and more of a veteran model: she made her debut two years ago, aged five, photographed by Tim Walker for Vogue at her family farm in Wiltshire. She wore an argyle knit with teddlington boots and looked adorable. "I was that annoying, confident little girl trying to get in the front of every shot," she recalls. Fighting for attention is no doubt par for the course when you're the eighth of 10 children; she has four brothers and five sisters. Doing in front of Miu Miu's lens in New York is a world away from farm life, where her responsibilities include feeding the chickens. "I'm a country girl at heart," she says. "But I've always wanted to be in the city. For all my siblings and friends it's like, 'Marty is famous, live on a farm' - but I want something different. I want to make memories and do fantastic things."

THIS PAGE: JEWELLED SILK DRESS, £4,725. SHOES: £90. BOTH MIU MIU. SHOES, FROM A SELECTION, MARC JACOBS. OPPOSITE: BEADED FRONCE, ASYMMETRIC-SLEEVE TOP, £5,490. MATCHING MINISKIRT, £3,564. BOTH OSCAR DE LA RENTA.
